

## Steven Robertson

July 31, 1944 - April 19, 2021

April 19th, Steven Robertson passed away peacefully in his sleep.

We hope that he was welcomed with open arms and love from our family in heaven.

He was a wonderful father, grandfather and great grandfather.

He will be missed greatly and will always be remembered for his smile and glow in his eyes everytime he was with loved ones.

Family was very important to him and we always came first.

He was a very kind, patient, and tolerable man for things that would happen in life.

He had a lot of friends and family that thought the world of him.

We tried to be there for him when he needed us the most.

He was a pressman for 44 years and retired from the NewsPaper Agency.

He was a hard worker and didn't miss a day unless he had to.

Steven is survived by his only daughter: Jennie Michelle Robertson Lovett, son-in-law: Larry Lovett, granddaughters: Crystal S. Jarvis and Madeja L.D. Robertson- Lovett, great granddaughters: Dejanira Ginessa MacFarlane and Destiney May Michelle Morrison.

Along with Madeja's fiance Zach Morrison and Crystal's fiance Charles Haggett Jr., and many other family members including his sister and brother.

He will forever be missed and loved with all our hearts.

He will greatly be remembered as the strangest man we ever knew.

Go in peace now for there will be no more pain, sadness or worry.

We will always love you and hold you close to our hearts.

Thank you for everything you have done for us.

We thank God everyday for you being in our lives, for being our rock that held us steady, and our superglue that held us together would nothing else could.

you were our best friend and we love you.
