Suzanne, age 65, passed away peacefully at home, surrounded by her loving family on April 21, 2020 after a courageous battle with Alzheimer's associated with MS.

“ Sue was so special. I worked with her at Mountain Bell/Qwest in the 1980's and 1990's. I sat near her in the office. We had little girls the same age, so much of our talk was about our girls. We had so much fun as just girls ourselves sharing makeup and just plain giggling. I don't know why, but I remember she just loved Baby Lotion. She was always coming to my desk to use some. It was always so nice to see her big eyes and her big smile every morning when I went to work. She was a very special woman and will be missed dearly. My sincere sympathy to the family.

“ Sue was unconditional love. Her home, specifically the basement, was my second home. She welcomed everyone into her life with love and sweetness. She was my American mom and I'm so grateful she gave me a lifelong friend in Cicily. She'll be missed, but there will be so many lovely things to remind me of her; gardens, cross-stitching, meticulously clean cars (Toyota Celias, especially), snack trays with veggies, chips and dip, and juice boxes, chilled glasses, koi fish. Above all, the loviest thing of all, and thing we love the most, her daughter Cicily.
