“ I am just reading his obituary today. I'm sorry I didn't know sooner or I would have attended his service. This makes me very sad. I am sorry for your loss. I played the violin with Tim in junior high. He was always smiling and joking around. His spirit was always high and positive. If I ever had a problem, he was always there to lend an ear and a shoulder to cry on. I lost contact over the years but thanks to Facebook we had talked a few years ago. I hope he can rest in peace. I am so sorry for your loss. My condolences to his Niece and nephews. Tim will be missed.

“ I'm very sorry to hear of your loss.
It's been a long time since I've seen Timothy, but I haven't forgotten. I remember Timothy as being very cheerful, kind, and helpful. It makes me sad to think about his relationship with his nieces and nephews, and know how they will miss him. Regretfully I won't be attending the service, but I wanted to convey my sorrow.
