

Tina Michelle Turley

February 14, 1960 - December 20, 2019

Tina Michelle Turley, age 59, passed away December 20, 2019. Born February 14, 1960 in Salt Lake City, Utah to Gus and Utahna Brower Bizakis. Tina studied cosmetology at Cameo College of Essential Beauty. She had many occupations including hairdresser, business owner and housekeeper. But what we hold dear the most is she was our beloved mother, loving daughter, caring SISTER and friend.

Tina was a giver, even when she didn't have much. She has numerous certificates for her generous contributions to charities throughout the years. To name just a few: America Heart Association, Paralyzed Veterans of America, Memorial Sloan-Kettering Cancer Center, Boys Town and of course The Humane Society.

Tina was a beautiful soul gone too soon. She loved to be in the garden, was crafty always creating and bringing color to our lives. She could often be found in the kitchen, baking & decorating amazing cakes for friends and family. Most of all she loved her family and friends, but especially her children and beloved grandchildren. Her light and love will be truly missed. Tina is survived by her three children, Michael Clark (Yasmin Hansen) and their children Michael, Cyrrus and Byron - Candice (Matt) Copier and their children Izabella, Lucillia, and Matthew Jr - and Nicholas (Cassie) and their children Raeleigh and Bayli; mother Utahna Babb, sisters Brandi Talmage and Jeani Pringle and brother Vance Pringle.

“ I will always remember you as my kind, gentle, thoughtful, caring and loving big siSTAR You loved unconditionally and always wanted happiness for everyone around you! You put others first and never wanted to be a burden.

You loved bringing the family together and celebrating the Holidays with all the grandkids present. I will miss that this season...You were such a GIFT to everyone that was lucky enough to know you

When I was younger I can remember you cooking dinner for me and all of us kids and taking care of me at nights when mom worked. You were my second mother and my best friend. You were always there for me if I needed you

You later taught me how to cook and even when you lived hundreds of miles away in St George, I could call you to help me with recipes and/or proper seasoning for meals I was preparing. Or just to chat and laugh You taught me about Astrology and Mercury Retrograde and you were very passionate about all of it!

You were there to lend a helping hand and quick to give me advice or just listen and be my sounding board. When my life got chaotic or I just needed to complain...I could count on you! You always knew how to support me.

I will miss your sound advice, your smiling face, family get togethers at your house, walks with my dog to visit you, helping you with little tasks around your house and yard and your never ending generosity and patience

I love you Tina Turley! I will continue to call on you when I need you and I will hold you forever in my heart and memories and I know that you are always just a thought away!
